

AMENDED IN ASSEMBLY APRIL 12, 2005

AMENDED IN ASSEMBLY MARCH 29, 2005

CALIFORNIA LEGISLATURE—2005—06 REGULAR SESSION

ASSEMBLY BILL

No. 1077

Introduced by Assembly Member Chan

February 22, 2005

An act to add Section 49452.7 to the Education Code, relating to pupil health.

LEGISLATIVE COUNSEL'S DIGEST

AB 1077, as amended, Chan. Pupil health.

Existing law requires the governing board of any school district to make rules for the physical examination of pupils that will ensure proper care of the pupils and proper secrecy with regard to any defect noted. Existing law allows the parent or guardian having control or charge of any child enrolled in the public schools to file annually a statement in writing, signed by the parent or guardian, that he or she will not consent to an examination of his or her child. Existing law exempts a child from physical examinations once such a statement is filed with the principal.

This bill would require pupils enrolled in a public ~~or private~~ school to present proof of having received, while in kindergarten, grade 2, and grade 6, an oral health assessment by a dentist or dental hygienist before May 15 of the respective school year. This bill would allow a school to withhold a pupil's report card if he or she fails to present proof of an assessment by the specified date until one of several specified conditions occurs, including, among others, the filing of a written statement by the parent or guardian of a pupil that he or she does not want his or her child to receive an assessment. This bill

would require all public ~~and private~~ schools, after receiving completed assessments, and by June 30 of each year, to send a report, as specified, to the public health department of the county in which the school is located.

By requiring public schools to perform additional duties, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
State-mandated local program: ~~no~~-yes.
